Press release

Patna (Bihar):The BiharBrains Scholastic Center under Global Scientific Council of BBrains Development society organised two consecutive Global Conferences on Science and Technology, "Bihar Science Conference" in association with Patna University and Magadh University in 2008 and 2009 respectively; now heading towards organizing **third Bihar Science Conference, 2010 at Bodh Gaya**. This conference is being hosted by **Magadh University again at its prestigious premier institute Gaya College, Gaya on Feb 11-13, 2010 and organized by.**

This was informed by Prof. Srikant Sharma, Principal of Gaya College who is also the chairman of the said conference.

The conference intends to create a platform for the great minds from various subjects to come together for fostering the scientific temperament in the state. Experts from various fields are likely to evaluate the existing information, to interpret the presented data, to discuss the suitable measures for clear and useful results and finally to explore if the collective efforts are promising to achieve favorable working environment for research and development in the state.

Bihar Science Conference is organised every year on the pattern of Indian science congress. Dr.(Prof) S. E. Hasnain, Scientific Advisor to PM of India (VC of Hyderabad University, and Member, SAC-PM), Prof. B.N Pandey, Hon'ble Vice Chancellor of Magadh University and Sri Bibhuti Bikramaditya, Global Chairman, BiharBrains (BBrains Development Society) are the patrons of this conference.

"I am very happy to know that Bihar is gearing up for holding its first Bihar Science Conference (Bihar Vigyan Sammelan) which will bring scientists, academicians and young scientist from India and abroad on a common platform for exchanging ideas on the subjects of science and technology," **Dr. Hasnain said on patronizing this conference**

Prof. Arvind Kumar Sinha, Prof. of Biotechnology of Gaya College and convenor of this conference informed the media that many scientists from India and abroad has already given their confirmation. To name a few are Prof. S. E. Hasnain(SAC-PM and VC Hyderabad University), Dr. U.N.Singh(Chief

Technologist, System Engineering Directorate, NASA,USA), Prof. Brajendra Mishra(Prof and Assoc. Head,metallurgical Engineering, Colorado School of Mines, USA) Prof. Anil Kumar Gupta (Profesor at IIM, Ahemedabad and executive Vice National Innovation foundation), Dr. Jitendra Kumar (Vice President, IKP Knowledge Park, Hyderabad), Prof. H.C Verma of IIT Kanpur, Prof. Vijay A.Singh of TIFR, Prof. V.N.Sharma of Ranchi University, Dr. Himanshu Shekhar of DRDO, Dr. Dhananjay Kumar of USA, Prof Raman Jha, Prof and Head, Physics, Sikkim Manipal University, Sikkim.

In a media briefing, Prof. Sinha informed that on the recommendation of Global Scientific council nad organizing committee of 3rd Bihar Science conference, the efforts are being made to invite **Dr. APJ Kalam** for giving Inaugural Keynote of the conference. Other renowned persons who are likely to attend are Dr. R. K. Pachauri (a 2008 Noble Laureate and head of TERI, New Delhi), Prof CNR Rao (Head SAC-PM, and former head ISRO), Prof Yashpal (renowned astrophysicist and former chairman UGC).

Prof. R.P. Sinha,(chairman of the Global Scientific council (former VC of Mithila University) has said that Bihar Science conference has become platform for Bihari performers to show their scientific talent and also create research environment in the state.

Mr. Bibhuti Bikramaditya, who created this oraganisation and took initiative for organising this conference said that BBrains Development society is committed to bring a change in science and technology environment in the state through this kind of conferences, scientific meets and establishing universities and R&D institutions. This is possible with support from global scientific community, he added.

This conference will be an excellent opportunity to report research outcome in the frontline areas of science and technology. National and international scientists from government, academia and research institutes are welcome to present and discuss the research work.

The three day affair will have oral and poster presentation which covers all areas of Physical sciences, Chemical sciences, Biological sciences, Earth sciences, Electronics and Information Technology, Mathematical sciences, Water Resource Management and Clinical Psychology. There will be best oral presentation awards and best poster awards to be selected from each of the subject areas.

The call for papers has been invited. Last date of submission of abstract is DECEMBER 31, 2009. The details can be found on www.bbscindia.com/ScienceConference
