To,

**Dr. Anil Kumar**  
Minister, Science & Technology  
Govt. of Bihar, Patna.

CC: PA to Minister, Secretary, BCSJ, Govt of Bihar.

**Sub: Appointment for the Formal Meeting with Minister Science & Technology.**

Dear Sir,

I introduce myself as Chairman of **BiharBrains ([www.biharbrains.org](http://www.biharbrains.org))**, an upcoming organization, of Educated people of Bihar in India and abroad (NRIs) with the objective of creating work environment in the state and inculcate a resource pool which are the basic components to encourage NRIs and industrialist to establish their R&D and business houses in the state of Bihar (details about the organization are enclosed herewith this proposal). We discuss online through global chat on yahoo on the development projects related to Bihar or in any of our USA, UK, Saudi Arabia, UAE, Canada, Germany, South Korea, Singapore, Delhi, Patna, Chennai, Mumbai, Pune, Hyderabad, Ranchi, Jamshedpur, Bangalore Chapter of BiharBrains monthly (or as and when it is required) on the agenda fixed by Chairman and representatives of the respective Chapter and after discussion we execute those projects in Bihar from our Scholastic center, BM Das Road, Patna. During 1.5 years of its existence, we implemented few projects and organized events and programs, which are given below:

- a. **Formation of world level Three Tier organizational structure.**
- b. **Inauguration of Bihar Brains Scholastic Center at BM Das Road, Patna in July 2005**
- c. **Short Term courses on VLSI Technology (July 2005 & Feb 2006), 3D modeling courses and Series of Seminars on the Cutting Edge Technologies in the regular routine fashion.**
- d. **SciTechFest, 2005 (A symposium on Contemporary Electronics and Computer Technology in Dec 2005, Inaugurated by Dr. Anil Kumar, Minister Science & Technology.**
- e. **Career Guidance and Counseling Program in Feb 2006.**

f. Inauguration of Patna Resource center at Dept of Physics, Patna University,  
Patna by KK Srivastava, Ex-Chief Secy, Govt of Bihar.  
g. Release of the magazine called "Manthan" in the inaugural function of Patna  
Resource center.

Apart from above mentioned activity, we are here for the technological development of  
the state. Our main aim to build Bihar as technical hub for Research and Development as  
well as the center for excellence in the field of formal and non formal education.  
On my this around 1.5 months India trip, we organized many events and programs and at  
the end of my journey, I would like to meet to you and would like to discuss on the  
following points:

- a. Demand of NISC in Bihar
- b. Role of NRIs in the development of the state of Bihar

I am leaving back to Korea on March 30, 2006. I do hope, you would give your precious  
time for the discussion on above mentioned agenda.

Waiting for your prompt response..

Warm regards,

Bibhuti Bikramaditya
